

## “Sandwich in” a September Picnic!

September is a great time for bike riding and impromptu picnics with your kids.

Sandwiches are easy to make. Most kids are happy to eat the sandwich they made themselves. Fresh vegetables from the garden or farmer’s market were used to create this “open face” sandwich (pun intended) in the photo.

### Silly Sandwiches

Serves 2

*A healthy snack from 3 food groups: vegetables, grains and dairy.*

#### Ingredients:

- 1 whole wheat English muffin or 2 slices of whole wheat bread
- 2 teaspoons ranch style dressing
- ¼ cup shredded cheddar cheese or 1 slice of cheese
- ½ cup grated or chopped vegetables such as red, yellow or green pepper, peas, beans, broccoli, celery, carrots, olives, tomatoes, summer squash ....

#### Directions:

1. Wash hands with soap and water. Split the English muffin in half. Place each half on a plate.
2. Spread 1 teaspoon ranch dressing on each half.
3. Top each muffin slice with half of the shredded cheese.
4. Arrange vegetables on top to create a silly face.
5. Serve with a glass of milk.

Save money with sandwich lunches by skipping the chips, fries and soda that go with most fast food lunches. Make your own sandwiches with low-cost ingredients. Just add fruit, cheese sticks, a glass of milk, or nuts to make a nutritious meal.

Put the sandwiches in an insulated lunch bag and hop on your bike to go have a picnic at the park!

You could follow your lunch with a fun read about picnics. Find one of these books at your public library.
